CBPA EXCEPTION SUBMISSION REQUIREMENTS

In order to expedite the review of CBPA Exception applications, please be sure that all of the following items have been included in your CBPA Exception application. Please return this completed checklist with the application to assure that all items have been addressed. All CBPA Exception applications must adhere to the regulations found in the Charles City Combined Water Protection Ordinance.

- Completed CBPA Exception application.
- CBPA Exception application fee of
- \$1,000. A survey of the site showing:
 - Property lines,
 - Streets and roads,
 - Well and sewage disposal systems or reserve drainfield sites,
 - Existing and proposed structures,
 - Water bodies,
 - Boundary of the Resource Protection Area (RPA),
 - Type and location of proposed best management practices to mitigate the proposed encroachment,
 - Type and location of proposed erosion and sedimentation control devices,
 - Location of existing vegetation onsite, including the number and type of trees and other vegetation to be removed in the buffer to accommodate the encroachment or modification.
- Any other information that the Zoning Administrator may reasonably determine to be necessary for the proper evaluation of the application.

As outlined in Section-18 Exceptions 4, the County Wetland Board shall not approve the CBPA Exception unless the following criteria have been satisfied:

- Granting the exception will not confer upon the applicant any special privileges denied by this Article to other property owners subject to the Combined Water Protection ordinance.
- The exception is not based on conditions or circumstances that are self-created or self-imposed, nor does the request arise from conditions or circumstances either permitted or non-conforming that are related to adjacent parcels;
- The exception request is the minimum necessary to afford relief;
- The exception request will be in harmony with the purpose and intent of the ordinance requirements, not injurious to the neighborhood or otherwise detrimental to the public welfare, and is not of substantial detriment to water quality; and
- Reasonable and appropriate conditions are imposed which will prevent the exception request from causing a degradation of water quality as warranted, that will prevent the waiver from causing a degradation of water quality.

CERTIFICATION:

I hereby certify that the attached plans and this completed application form contain all the required information for a CBPA Exception in accordance with the Charles City County Ordinances. I understand that the submission of incomplete or inaccurate information may delay the processing of this CBPA Exception.
