## EMS Prepay Application Form

The EMS Prepay Program is a subscription program to help citizens defray out of pocket expenses, such as health insurance co-payments and deductibles, when they need emergency ambulance transportation. On October 1, 2007, Charles City County began billing for emergency ambulance transportation as part of the County's EMS Cost Recovery Program. Subscribers will not be charged for any cost not covered by their insurance company. Potential subscribers should check with their health insurance carrier to determine if the EMS Prepay Program is right for them.

For \$50.00 a year, a subscriber may enroll all members of his or her household. A subscription covers individuals listed on the application form, who reside at the listed address. A residential subscription also includes family members of the subscriber listed on the application, who reside in the assisted-living or nursing facilities located within Charles City County.

***This subscription period runs from time application is received until September 30, 2017***
